

EXHIBIT A

Section I

1.1 Introduction

This Administrative Procedure (AP 5500) is intended to effectively implement Board Policy 5500 Student Code of Conduct, and as such, this Procedure shall constitute the Student Code of Conduct for all District Students.

The primary purpose of this Student Code of Conduct is to support and protect Students to ensure their academic and personal success throughout their attendance at any of the Colleges within the District. In addition, this Student Code of Conduct intends to educate Students about rights, responsibilities, and violations under the Student Code of Conduct and their consequences. This Student Code of Conduct includes a defined process for the fair and impartial review and determination of alleged improper Student behavior. This Student Code of Conduct also specifies the various sanctions that may be imposed on District Students for violations of this Student Code of Conduct. Students are expected to be familiar with the terms of Board Policy 5500 and this Administrative Procedure 5500 Student Code of Conduct.

This Procedure provides for the orderly administration of this Student Code of Conduct consistent with the principles of due process of law. Reasonable deviations from the Student Code of Conduct will not invalidate a decision or proceeding. This Student Code of Conduct is not intended to prevent or limit lawful exercise of academic freedom or constitutionally protected free speech or expression.

1.2 The Use of “Will” and “Shall”

In this Student Code of Conduct, and throughout the District’s Board Policies and Administrative Procedures, the terms “will” and “shall” are used in the mandatory sense.

1.3 Notice – Process for Notification

The District’s primary correspondence and notification mechanism with Students shall be through the Student’s District assigned email account. However, at the discretion of the District/College, Students may be notified at another email address provided by Students, via U.S. mail, or via in-person delivery. In addition, the District/College may, at its discretion, notify students via telephone or text as appropriate. The District reserves the right to notify parents/legal guardians/emergency contacts when it determines that any Student, regardless of age, is in a situation that is threatening to the Student’s own or other individuals’ health and safety. Any reference to “receipt of letter or notification” shall mean the date the correspondence was sent or postmarked. It is the Student’s responsibility to ensure that electronic communication is opened and reviewed. The District/College may consider, as needed, notifying the Student via a different method to ensure receipt of notices.

1.4 Jurisdiction

This Student Code of Conduct applies to conduct that takes place at the District, the Colleges within the District, its property (including offsite locations owned, rented, leased, or operated by the District or the Colleges), on-campus student housing facilities, through its online services, and at District-sponsored/College-sponsored programs, activities, and travel. This Student Code of Conduct also applies to off-campus conduct when the effects of the off-campus conduct create

a Hostile Environment or impact a substantial District/College interest. A substantial District/College interest may include:

- Any action that constitutes a criminal offense as defined by law. This includes, but is not limited to, a single or repeated violations of any local, state, or federal criminal statute or ordinance;
- Any situation where it appears that a Student may present a danger or threat to the health or safety of themselves or others;
- Any situation that significantly impinges upon the rights, property, or achievements of self or others, or that significantly breaches the peace or causes significant disruption; and
- Any situation that is detrimental to the educational interest of the District/College.

This Student Code of Conduct may apply to online activity and communication that occur outside of the District's/College's control when those online behaviors can be shown to create a Hostile Environment on campus or cause substantial disruption.

1.5 Anti-Discrimination Statement

The District does not unlawfully discriminate based upon age, race, ethnicity, sexual orientation or preference, gender, national origin, veteran's status, gender identification, or genetic information in administering District educational policies and procedures. The District complies with the American Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. See Board Policy 3410 Nondiscrimination.

1.6 Parallel Student Conduct Proceeding

Student Code of Conduct proceedings are administrative in nature, and are independent from court or other administrative proceedings. Discipline may be instituted against a Student who is also charged in civil or criminal courts based on the same facts that constitute the alleged violation of this Student Code of Conduct. The District may elect to proceed before, concurrently with, or after any judicial or other administrative proceedings.

1.7 Parallel Title IX Investigation Proceeding

The Title IX Board Policy and Administrative Procedure, BP/AP 5910 Sexual Misconduct and BP/AP 3910 Title IX Sex Discrimination and Sex-Based Harassment, addressing the Investigation of allegations of sexual misconduct incorporate the sanctions and general procedures set forth in this Student Code of Conduct, but are not restricted by this Procedure. Title IX Investigations and processes are independent from court or other administrative proceedings. Student discipline may be instituted against a Student who is also charged in civil or criminal courts based on the same facts that constitute the alleged violations of Title IX or other law applicable to sexual misconduct. The District may elect to proceed before, concurrently with, or after any judicial or other proceedings.

Section II – Student Rights & Responsibilities

2.1 Due Process

Students are entitled to a fundamentally fair process, including reasonable notice of allegations of violations of this Student Code of Conduct, the opportunity to be heard, and to present evidence, and in appropriate circumstances, the opportunity to engage in some form of examination of witnesses, prior to the administrative determination of the alleged violations.

The requirement of this Section 2.8 shall apply only to the Administrative Hearing. Information regarding witnesses for the Appeal Hearing are set forth in Section 4.4 of this Student Code of Conduct.

2.9 Confidentiality

Any information provided to the District may be shared with other District employees, law enforcement, or other individuals or entities, consistent with law, only on a “need to know” basis. District employees shall endeavor to honor any request for confidentiality; however, *confidentiality cannot always be assured*. The District may weigh requests for confidentiality against its duty to provide a safe and nondiscriminatory environment for all members of the District Community.

Administrative Review and Appeal Hearings are considered private and confidential so as to protect the Parties. Administrative Review and Appeal Hearings are not open to the public. The Parties are expected to maintain confidentiality.

Section III – Student Discipline Process

3.1 Complaint Filed/Incident Reported

The District, through its College Disciplinary Officer, will investigate all reports of alleged violations of this Student Code of Conduct. Anyone who believes that a provision of this Student Code of Conduct has been violated should contact the College Disciplinary Officer identified at each College. Reports of allegations are entered into a District-wide system where it is assigned to the appropriate College Disciplinary Officer.

3.2 Notice to Student

In all cases, the College Disciplinary Officer will provide notice to the Parties, providing them with the following information, pursuant to Section 1.3:

- A description of the alleged violation(s).
- A description of the applicable policies.
- A statement of the potential sanctions that could result.
- A statement that the Student may elect to have legal representation, or be assisted by an Advisor of the Student’s choice or may request the District to provide an Advisor to the Student.
- A statement that the Student must provide the College Disciplinary Officer with their choice of Advisor (name and contact information of the Advisor) or request that an Advisor be provided at least seven Business Days before the Administrative Review or Appeal Hearing.
- A statement that specifies information about legal counsel and their role, should the Student choose to have legal representation.
- A statement that the Student must contact the College Disciplinary Officer within seven Business Days from the date of the notification letter to confirm or schedule the meeting. The Student’s failure to contact the College Disciplinary Officer within this seven Business Day period shall constitute the Student’s waiver of their ability to provide a response to the alleged violation(s), and the Administrative Review shall take place as if the Student has not responded.

If the Student is a dependent minor, unless the minor is a verified emancipated minor, the notice also will be provided to the Student's parent or legal guardian. The College Disciplinary Officer will contact the Student to obtain the full legal name, address, and telephone number of their parent or legal guardian

3.3 Interim Actions

Interim actions are those temporary sanctions deemed necessary by the College Disciplinary Officer to protect the safety and security of the District Community pending Investigation into the alleged violations of this Student Code of Conduct. The College Disciplinary Officer may take any interim actions deemed necessary to:

- Protect the District Community from potential threats to health and safety;
- Protect any particular member of the District Community;
- Protect against the risk of substantial disruption to normal District/College operations.

The College Disciplinary Officer will inform the Student involved of any interim action/restrictions implemented against them pending Investigation.

Interim Actions are in effect immediately and shall not be delayed. These Interim Actions may include:

- a) Interim Suspension – A Student who is suspended on an interim basis is subject to the same restrictions as if they had been suspended as a final sanction. The College Disciplinary Officer may impose an immediate interim suspension of up to ten Business Days. On a case-by-case basis, the College Disciplinary Officer may extend the interim suspension by increments of five Business Days.
- b) Interim Restriction – These restrictions may include, but are not limited to:
 - Restricted access to District facilities and District events;
 - No-contact orders with specific individuals; or
 - Any other restrictions deemed by the College Disciplinary Officer to be necessary to achieve the goals stated above.

The College Disciplinary Officer may impose an interim restriction of up to ten Business Days following notice from the College Disciplinary Officer. On a case-by-case basis, the College Disciplinary Officer may extend the interim restriction by increments of five Business Days.

Interim action timelines do not apply to the Orange Coast College (OCC)'s student housing – The Harbour. The Harbour management or OCC has the right to immediately terminate a Student's Housing Agreement and remove the Student from the housing if the terms of the Housing Agreement are violated, or the removal is in the interest of safety and well-being of residents and the community. Such removals may be independent proceedings under this Student Code of Conduct or may occur in parallel. In addition, if a Student is suspended or restricted from OCC or the District, and if that Student is a resident of The Harbour, the Student's Housing Agreement will then be terminated, and the Student will be subject to removal from The Harbour.

Interim Suspension and Request to Stay

Upon notice of an Interim Suspension by the College Disciplinary Officer, the Student has seven Business Days (from the date of the notice) to submit reason(s) for a Request to Stay to the Vice President of Student Services, or their Designee. The Vice President of Student Services or their Designee will render a decision on providing a stay, with or without modifications to the Student's request. The Vice President of Student Services or their Designee will provide the Student with a decision within five Business Days of the received Request to Stay. The Interim Suspension remains in effect until a decision from the Vice President of Student Services or Designee is rendered.

3.4 Investigation Process

Administrative Reviews are not intended to be adversarial in nature. The Student or the Advisor shall not have the right to cross-examine any other Party or witness during the Administrative Review. The investigator will conduct interviews to determine the accuracy of statements or other evidence for the College Disciplinary Officer to consider. The College Disciplinary Officer may act in the role of investigator.

The College Disciplinary Officer's primary communication to all Parties involved in the Investigation shall be through District assigned email addresses, with supplemental or other forms of communication used as needed.

The College Disciplinary Officer will investigate each complaint submitted to determine whether it is appropriate to charge a Student with a violation of this Student Code of Conduct.

Investigations should generally result in resolution within 90 Days after a complaint has been made, barring unexpected delays. If circumstances warrant, the College Disciplinary Officer will provide notice to the Student of any delays or extensions necessary to complete any Investigation.

Investigations may involve interviews with the Reporting Party, person(s) alleged to have violated the policy(ies), witnesses, and other individuals having knowledge of the alleged violation.

The College Disciplinary Officer shall make reasonable efforts to give the Student an opportunity to rebut the accusations or otherwise provide relevant information to the College Disciplinary Officer.

Should a Student fail to appear for any Administrative Review or Appeal Hearing, that Student may be considered to have waived their right to be present for the Administrative Review or Appeal Hearing and the Investigation may proceed without the Student's input, and appropriate sanctions may be administered.

3.5 Methods for Resolution

The College Disciplinary Officer or Designee has the discretion to elect any of the following methods for resolution:

- Mediation/Alternative Dispute Resolution – For allegations determined to be better settled through conflict resolution by the College Disciplinary Officer, a voluntary

alternative to the formal Investigation and hearing process, as mutually agreed upon by the College Disciplinary Officer, the Student, and any other involved individual as appropriate. The College Disciplinary Officer will select a trained mediator to assist the Student and Reporting Party in attempting to resolve the allegation. The mediator can be the College Disciplinary Officer, or any other employee of the District as designated by the College Disciplinary Officer. The College Disciplinary Officer may also utilize the services of an external mediator.

- Informal Administrative Resolution – The Student admits to the allegations, and accepts the recommended sanctions of the College Disciplinary Officer.
- Formal Finding by the College Disciplinary Officer – The College Disciplinary Officer, after completing an Investigation, which includes an opportunity for the Student to deny or explain allegations.

3.6 Findings and Determination

Not Responsible – The College Disciplinary Officer determines that insufficient evidence exists, by the Preponderance of Evidence standard, for a Finding of Responsible for the alleged violation(s). The case is closed and a record is retained.

Responsible – The College Disciplinary Officer determines that sufficient evidence exists, by the Preponderance of Evidence standard, for a Finding that the Student is Responsible for the alleged violation(s).

This determination may also be rendered through the Informal Administrative Resolution, where the Student has admitted culpability for the alleged violation(s). The College Disciplinary Officer may close the case.

3.7 Standard of Proof

In all cases involving alleged violations of this Student Code of Conduct, the standard of proof for determining whether a Student is Not Responsible or Responsible is Preponderance of Evidence standard (e.g., more likely than not), as defined in Appendix A herein. This standard of proof applies to the determinations made by the College Disciplinary Officer, or the Appeal Committee.

3.8 Imposing Sanctions

After the Administrative Review and considering all information relevant to the issue, the College Disciplinary Officer shall then decide whether or not to impose sanctions.

If a Student is found Responsible, appropriate sanctions will be imposed by the College Disciplinary Officer pursuant to the available sanctions set forth in Appendix C. The Student may elect to appeal the Findings and sanctions subject to the limitations for grounds for appeal set forth herein.

3.9 Notification of Findings

The College Disciplinary Officer will notify the Student charged with violations of the Findings and, if applicable, of any sanctions imposed. Such notice shall be in writing from the College Disciplinary Officer, and communicated to the Student pursuant the notice requirements set forth in Section 1.3.

Section IV – Appeal Process

4.1 Appeal Criteria & Grounds for Appeal

The following sanctions, described in Appendix C, cannot be appealed:

Community Service
Disciplinary Probation
Educational Assignment or Project
Mental Health Clearance
Short term removal from class
Hold on records
Written Warning
Housing Probation (OCC only)

A request for appeal must be submitted in writing and must contain detailed information supporting the grounds for appeal. The Student must specifically identify which of the bulleted grounds their appeal is based on. Student failure to specify the basis for appeal with detailed information shall constitute the dismissal of the Appeal without further proceedings, and the initial sanctions imposed shall remain in effect until the Appeal process is completed.

Students may appeal determinations based only upon the following grounds:

- The outcome of the Investigation is unsupported by the evidence, based on the Preponderance of Evidence standard.
- Excessive sanctions in relation to the violation(s) the Student was found Responsible for committing.
- A substantive procedural error which materially and significantly affected the weighing of evidence by the College Disciplinary Officer.

The Student shall provide notice of intent to appeal by email, U.S. Mail, or by personal delivery provided that the Student has not been restricted from entering the campus. The Student is to send correspondence to the Vice President of Student Services Office within ten Business Days of notification of outcome of the Finding and sanction(s). Any request for appeal that is not received within ten Business Days of notification of the outcome of a determination shall be deemed untimely and shall constitute a waiver of the Student's right to an appeal

The Vice President of Student Services shall determine if the appeal stated proper grounds for an appeal. The Vice President of Student Services shall provide written notification to the Student regarding the determination. If it is determined that there are no proper grounds for appeal, the Vice President of Student Services' decision shall be final and shall end the Student's appeal process.

4.2 Notice of Appeal Hearing

If there are proper grounds for an appeal stated, the College Disciplinary Officer or Designee, will send a notice, pursuant to Section 1.3, to the Student with the following information:

Section VI – Expulsion

Any letter of appeal must be signed for by the District's Chancellor's Office. The letter of appeal to the Chancellor shall state the reasons why the Student should not be expelled and shall not exceed 15 pages in length. The Student or their parent or guardian does not have the right to meet personally with the Chancellor. The Student's failure to appeal shall constitute the Student's waiver of their ability to provide a response to the alleged violation(s), and the Administrative Review shall take place as if the Student has not responded.

- 1) Upon review of the letter of appeal from the Student and the recommendation for expulsion from the College President, within ten Business Days from the date the appeal from the Student was received, the Chancellor makes the decision whether to accept or deny the expulsion. If the Chancellor grants the appeal, the Student is not expelled. The Chancellor may impose a lesser discipline, or no discipline. If the Chancellor denies the appeal, then the Chancellor shall notify the Student, or the Student's parent or guardian if the Student is a dependent minor, of his/her decision to recommend expulsion. The Chancellor's notice shall be in writing, setting forth the Board meeting date, time, and location where the Board will consider the recommended expulsion. The Chancellor shall endeavor to place the recommendation on a Board agenda for action, within 60 Days of Notice of Recommended Expulsion. The Student may submit documentation to the District's Chancellor's Office which outlines why they should not be expelled. The documentation shall not exceed 15 pages in length including appendices. Documents shall be delivered via professional process

server or by certified mail. The Student's documents must be received no less than ten Business Days prior to the scheduled Board meeting date.

- 2) The Student shall be notified of their rights and responsibilities to participate in the Board's proceedings. The Student or their parent or guardian does not have the right to meet personally with the Chancellor.
- 3) The Chancellor shall submit the following documents to the Board prior to the Board acting on the recommendation for expulsion:
 - a. A copy of the College President's Notice for Recommended Expulsion;
 - b. A copy of any letters or documents submitted by the Student; and
 - c. The Chancellor's recommendation regarding expulsion of the Student.
- 4) The Board shall consider the recommendation for expulsion in closed session. The Student shall have the right to address the Board during closed session. The Student also has the right to address the Board in open session.
- 5) The Board shall render a determination in closed session, but the Board must make the final decision in open session. The Board's decision shall be final and shall end the Student's appeal process relating to the expulsion.

6.4 Failure to Appear Before the Board

A Student who fails to appear is deemed to have waived their rights to appear before the Board and a determination will be made without the Student's input.

6.5 Notice of Outcome on Expulsion

- 1) The Board shall make the decision in open session regarding the recommended Student's expulsion.
- 2) The Chancellor, on behalf of the Board, shall notify the Student in writing of the Board's determination regarding their status as a Student in the District.

6.6 Expulsion Records

The Board Secretary shall provide all documentation pertaining to the expulsion to the College Disciplinary Officer.

This definition encompasses two kinds of sexual harassment:

- a) Quid Pro Quo – exists when an educational or employment decision or benefit is conditioned on the submission to or rejection of the unwelcome conduct.
- b) Hostile Environment – exists if the conduct is sufficiently serious (i.e., severe, persistent, or pervasive) to deny or limit a person's ability to participate in or benefit from the District/College programs or activities.

The more severe the conduct, the less need there is to show a repetitive series of incidents to prove a hostile environment on campus, particularly if the harassment is physical. A single or isolated incident of sexual harassment, including sexual misconduct, may create a hostile environment on campus if the incident is sufficiently severe.

34. Sexual Misconduct. All sexual activity must be based on Affirmative Consent. Engaging in any sexual activity without first obtaining Affirmative Consent to the specific sexual activity is Sexual Misconduct, whether or not the conduct violates civil or criminal law. Non-consensual Sexual Contact is a form of Sexual Misconduct as is any intentional sexual touching, however slightly with any object by a person upon another person, that is without Affirmative Consent and/or by force. 37. Stalking. Stalking is engaging in a repeated course of conduct directed at a specific person that would cause a reasonable person to fear for their or others' safety or to suffer substantial emotional distress. For the purpose of this definition:

- a. Course of Conduct means two or more acts, including, but not limited to acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveys, threatens, or communicates to or about a person, or interferes with a person's property;

- Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling.
